Comorbidity Bus Tours are a sector development activity designed to support frontline workers in the ACT not-for-profit and government sectors. The aim of the bus tour is to increase the capacity of frontline workers to support people experiencing co-occurring alcohol, tobacco and other drug (ATOD) and mental health (MH) issues (comorbidity).

Eligibility

Workers from the ATOD, MH and youth sectors, who work with clients, are eligible to attend. Workers from allied services who work with people experiencing comorbidity are also eligible to attend. Due to the size of the bus and to facilitate networking, we try to have only 2 service representatives per tour. Please contact the Project Coordinator to discuss eligibility.

Cost (includes resources and snacks, but not lunch)

\$50 – Participants from agencies who are members of the Youth Coalition, ATODA or MHCC ACT, or staff members of a service visited on the bus tour

\$60 – Participants from non-member, non-government organisations

\$70 – Government workers (except those from a service visited on the bus tour)

Registration

Contact the Project Coordinator, Katrina Campion on (02) 6247 3540 or katrina@youthcoalition.net to assess your eligibility and to obtain a registration form. Bookings will not be confirmed until the registration form complete with invoicing details is received.
